

Open Science Support At the Swiss Federal Research Institute WSL The EnviDat Concept

Ionuț Iosifescu Enescu*, Gian-Kasper Plattner*, Dominik Haas-Artho*,
Thomas Kramer*, Matthias Häni*, Lucia Espona Pernas* & Konrad Steffen*,**

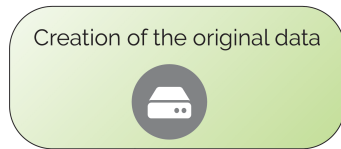

* The Swiss Federal Institute for Forest, Snow and Landscape Research, ** ETH Zurich, Department of Environmental Systems Science

Contact: envidat@wsl.ch / www.envidat.ch

EnviDat provides the tools for fostering Open Science via publication of Open Data, Open Sourcecode and Documentation.

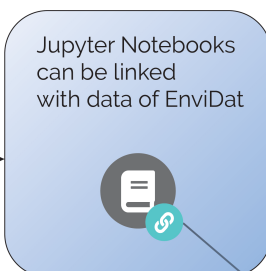

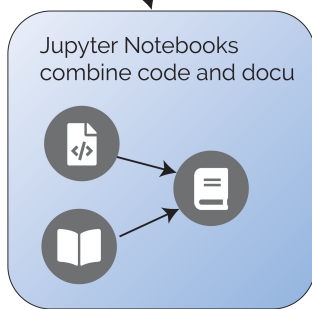

Research

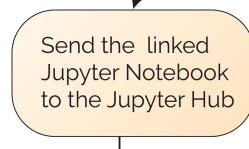

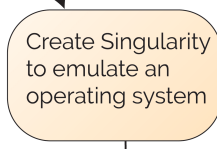

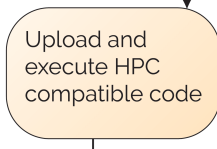

Local Development

Make use of Best Practices

- Versioning
- Documentation
- Clean coding

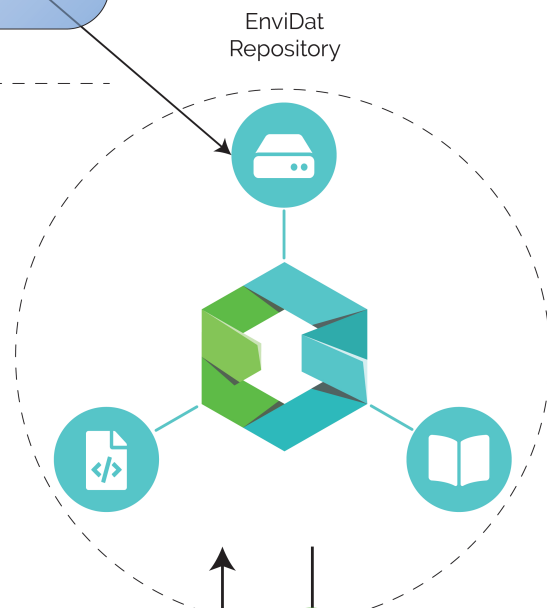

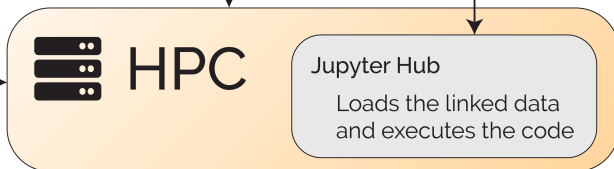

HPC Development

WSL Hyperion options

- CPU node - 10 cores
- GPU node - 5 cores
- Multi CPU - 4 nodes a 10 cores

Publication
